

The following excerpt may be found in the School of Medicine Bylaws, Appendix B, page 33.

As the section currently reads:

Section I.

H. Faculty Transferring from Another School of the University of Connecticut System or from Other Institutions

All appointments at senior rank must be reviewed by the SAPC, including transfers from other schools within the University of Connecticut or other institutions. Tenured faculty transferring to the School of Medicine from another school of the University of Connecticut system will retain their tenure.

Proposed changes with edits showing:

Section I.

H. Faculty Transferring from Another School of the University of Connecticut System or from Other Institutions

All appointments at senior rank must be reviewed by the SAPC, **except** transfers from other **Schools** within the University of Connecticut. **Faculty members holding senior rank and/or tenure within the University of Connecticut system who transfer** to the School of Medicine will retain **their senior rank and/or tenure**. **The post-tenure review clock begins upon appointment to the School of Medicine.**
